## Start Your Career With Us...

Pursue Your Dream Foundation (PYD) is a non-profit business school dedicated to helping international students learn essential business etiquette and how to succeed in corporate America. PYD students learn the responsibility of business management through an immersive business communications course, internship program, and diverse community.

### General Internship

PYD is always looking for driven, curious people to contribute to our community. No matter your background, we need your talent on our operations team.

### Outreach in Digital Marketing

To keep our student body diverse, PYD needs community managers to handle our digital outreach. Background in marketing or graphic design and bi-lingual skills are a plus.

### Business Management

Get hands-on experience leading teams as a project manager in business development, marketing and IT. Grow as a decision maker and learn what it takes to lead a team.
